Founded in 1990, the American International School of Mozambique is an IB World School offering a college preparatory program covering Early Years through Grade 12. AISM is recognized and supported by the US State Department Office of Overseas Schools; accredited by the Middle States Association of Colleges and Schools; and authorized to offer the Diploma Programme of the International Baccalaureate, the IB Middle Years Programme (MYP), and the IB Primary Years Programme (PYP). The language of instruction is English and the school year follows a typical American school calendar with classes beginning mid-August and ending mid-June.
